Rail & Sail? Never Fail.

It's our unofficial mantra and we love creating incredible holiday adventures and indelible memories by combining two of the greatest ways to travel and explore.

If you're looking for an unforgettable holiday, rail and sail nails it. For starters, both travel modes are 'cruisy'. So from the moment you board the cruise liner or the train, you don't have to lift a finger. Instead, you're in the friendly, capable hands of those whose only job is to ensure your every whim and desire is indulged. Their enthusiasm is contagious, egging on your excitement and anticipation.

Rail and sail holidays are unhurried, very social and stress-free. You don't have to find a restaurant at weird times, wonder if the food's going to be any good, or find a reputable

local tour operator. While onboard – train or ship – you can rest assured the food and wine is decadent and all tours are expertly curated and professionally delivered. You'll even revel in feeling like a VIP with special entry or exclusive experiences no other travellers can enjoy. Heaven.

You only make one easy booking. No weeks and worries of finding hotels, timetables, transport and tour companies. No "fingers crossed, I hope this mob is reliable" holiday nervousness.

Rail and sail doubles the destinations. You'll experience places that you wouldn't dare attempt to go to if you had to drive. And you'll see the world from a different perspective

floating through magical land and seascapes on the high seas or smooth silver rails.

Your cruise and rail journey seamlessly meld into each other, with all transfers expertly taken care of, keeping you in peak relaxation mode throughout.

Best of both worlds. Top two travel treats. Whichever way you look at it, nothing beats a rail and cruise holiday.

Finally, we've played matchmaker bringing the romance of train travel and the luxury of cruising blissfully together, we've also hitched some tour options to this happy couple of travel modes as well. What's not to love? Start packing.

Top End & Red Centre Highlights

The NT is the ultimate combination of activity & relaxation

Been thinking about visiting the Top End and Red Centre for years? Then stop thinking and start doing. There's no excuse good enough for putting it off, yet again. Not with these exciting packages.

A trip on the legendary Ghan takes some beating. The journey features many off-train experiences so you can totally immerse yourself in the stunning outback. Darwin beckons you to taste its vibrant new foodie scene, as trendy cafes and wine bars pop up everywhere. Or, how about a refreshing swim in the waterfalls of Litchfield National Park?

No trip north is complete without exploring the Red Centre. Visit Alice Springs and fall

in love with Indigenous art, ride a camel at sunset across fiery-red sand dunes at Uluru, or dine beneath a golden blanket of stars, with stunning Uluru as the backdrop.

Whether you want to relax or have an adventure, the Top End and Red Centre have just about everything. And now it's 100% irresistible with packages that include luxury cruises starring the bucket-list-topper Kimberley cruise, or between Sydney and Darwin featuring exotic far north Queensland ports. See Queensland by Cruise & Rail

Make the most of your time in sunny Queensland with our selection of classic holidays

Queensland offers its visitors such a broad and diverse range of holiday opportunities; from exotically lush tropical rainforest wonderland, to magical islands and incredible beaches, through to her sun-baked outback interior – seemingly an entirely different country altogether.

Our hand-crafted rail and cruise holidays all feature a cruise with P&O, the pioneer of Australian cruising back in 1932. Their unique cruises and exceptional range of onboard experiences (all specially designed for Aussies), have made them the cruise line of choice when we look to cruising our own incredible Australian waters as well as when we're ready to venture beyond.

And with Papua New Guinea in such close proximity to Far North Queensland, it only makes sense that many of our holidays feature a visit to the islands. Unexplored by most Australians, PNG has a colourful British Colonial and wartime past and spectacular natural beauty. Be among the first of your tribe to venture to this unspoilt paradise. Cruise the Coral Sea, explore lush rainforest islands, palm fringed beaches and

spectacular reefs teeming with marine life. Visit Kiriwina, one of the most untouched islands in the world, home to the world's most preserved island cultures. You'll love every moment!

Most of our Queensland offerings feature a rail component too. Whether that is the Spirit of Queensland, an ultra-modern train with comfortable seats that convert into a flat bed complete with crisp linen and cosy mattress topper, and your personal 18 inch-screen entertainment unit. Superb all-inclusive meals are served in your seat, and you're also welcome in The Club Car where you can meet fellow guests over a drink and swap travel tales.

Or what about the Spirit of Outback – gliding effortlessly across 1300 kilometres from Brisbane to Queensland's sunburnt interior and the iconic heritage town of Longreach. Unlike the hardships the first pioneers endured, you'll experience the rugged landscape while enjoying an Aussie-themed meal, making friends with fellow travellers in the bar or in your private cabin.

Far North Queensland Getaways

Experience the magnificent Kuranda scenic railway journey

Featuring in many of our Cairns holidays, is the renowned Kuranda Scenic Railway, which takes you deep into a mystical World Heritage-Listed rainforest. You'll traverse some of the oldest land on earth - literally bursting with hundreds of species of trees, flowering plants and unique native creatures - wind through tunnels and cross over bridges.

The sounds and smells bring your senses alive, ready for the impact of climbing from Cairns to the fairytale-like town of Kuranda. En route you'll journey through dense rainforest that hugs the rugged mountains and past Barron Gorge and spectacular misty waterfalls.

Or, do you fancy venturing to the end of the road on a 2 night Cape Tribulation & Daintree Wilderness adventure with all the comforts of the Heritage Lodge & Spa? You'll go right to the edge of the far north's sealed road.

It starts with the gob-smackingly scenic coastal drive from Cairns to Port Douglas, where on a guided tour of Wildlife Habitat you'll get up close and personal with the locals - koalas, snakes and crocodiles. (Fancy a photo of you and Mr Snake?)

Once you've seen the wildlife, you'll need to get over the Daintree River in a memorable cable-driven ferry crossing, because the pristine wilderness of Daintree National Park is calling. The adventure continues at Cape Tribulation, where the reef meets the rainforest, with a guided beach and boardwalk tour that also delves deep into the magical rainforest. Finally, a Daintree River Cruise has you on the lookout for crocodiles, strange birds and wildlife as you glide through the mangroves. That's one wild adventure.

Take your pick of holidays!

The Great Ocean Road

Escorted holidays taking in the sights on this spectacular journey

The Great Ocean Road is Australian beauty at its most pristine, the National Heritage listed icon we all dream of exploring. Here, Mother Nature has truly outdone herself, presenting towering limestone cliffs, pristine white beaches and sheltered coves, the 12 Apostles and rugged coastline overlooking moody surf breaks and an ocean bursting with marine life. Here you can walk among soaring trees and giant tree ferns to serene misty waterfalls in one of her finest rainforests.

Venture a little inland for an entirely different landscape; lakes nestled into the rolling hills and valleys of volcanic plains. Not surprisingly native wildlife abounds, allowing us to get up close and personal to koalas, kangaroos and emus.

But it's not all about pristine natural attractions. The Great Ocean Road is

a giant patchwork tablecloth laid out with a delectable array of culinary delights. You can literally taste the passion of the local chefs, providores, winemakers and farm producers as they showcase the bounty of those ancient volcanic soils and the Southern Ocean.

It's all plated up with lashings of seaside village ambience and a bountiful serving of maritime heritage attractions, artisan crafts and galleries.

Resist no longer! We've made it easy to explore this stunning region now with packages that also include a luxury cruise visiting Australia's other great natural treasures of Kangaroo Island or Tasmania. You'll receive the royal treatment all the way on these fully escorted cruise and tour packages featuring Sea Princess, Ovation of the Seas and Queen Elizabeth.

New Zealand's Gems

Discover the sights of Australia's neighbour by cruise & tour

Cruising. Islands. Two words that never fail to evoke visions of adventure, luxury and exotic destinations. Another two words: New Zealand, the perennial holiday bucket-lister. So it's only natural that we create exclusive packages featuring New Zealand cruising. It's certainly the most relaxing way to discover the land of the long white cloud – especially when exploring the breathtaking Fiordland National Park. Cruising this majestic wonderland is the only way to go when land touring is limited by road access.

We've chosen world-class Princess Cruises, Celebrity Cruises and Cunard to indulge you. So you simply relax and enjoy as they lay on the royal treatment. If choosing Cunard you'll even get to travel with royalty – onboard the magnificent Queen Elizabeth in all her majestic finery.

And, as if all this idyllic island action isn't enough, we also offer two-island packages giving you the additional choice of exploring picturesque Norfolk Island or Lord Howe.

And finally, why not also 'cruise' on two silver tracks and experience one of the world's most famous rail journeys - the Indian Pacific from the Pacific Coast to the Indian Ocean. Or for a shorter train sojourn, jump onboard the Overland between Adelaide and Melbourne.

South Pacific Getaways

From Vanuatu to New Caledonia, we've got you covered

Who can resist the exotic lure of a South Pacific cruise; the call of tropical islands, turquoise waters and romantic sunsets. Their very names fire the imagination: Bora Bora, Papeete, Tahiti, Mystery Island, Noumea, Kona, Maui, New Zealand and more.

We've put together so many options and combinations. For rail and sail lovers we've combined two Pacifics - a trip on the iconic Indian Pacific and a South Pacific cruise. Then there's our festive blockbuster which has you celebrating Christmas and ringing in the New Year cruising the South Pacific.

And no-one needs to lift a festive finger when your cruise takes in both Christmas and New Year. It's perfect for extended family holidays. Most of our South Pacific packages feature days exploring spectacular Sydney.

Finally, we love to create that once-in-a-lifetime holiday extravaganza. We think our 39 night holiday cruising from Sydney to Auckland via Fiji, Western Samoa, Hawaii, and French Polynesia, topped off with a tour of the north island of New Zealand fits that bill.

The South Pacific options are seemingly as endless as its magnificent turquoise waters.

Some images have been provided by or purchased from Australian Tourism Bodies, Photo Stock Libraries and our preferred suppliers.

18. Bookings by travel agent/operator

If you are a travel agent or tour operator making a booking on behalf of clients, you acknowledge and agree that you and your client(s) are bound by these general booking conditions.

19. Automatic upgrades

From time to time, travel service providers provide automatic upgrades. It is your responsibility to advise us if you do not wish to be eligible for an automatic upgrade.

20. Agency

We act as an agent for, and sell various travel related products as agent on behalf of, numerous transport, accommodation and other service providers, such as airlines, coach, rail and cruise line operators. Any services we provide to you are collateral to that agency relationship. Our obligation to you is to (and you expressly authorise us to) make travel bookings on your behalf and to arrange relevant contracts between you and travel service providers. We exercise care in the selection of reputable service providers but we have no control over, or liability for, the services provided by third parties. We regret we cannot guarantee itineraries and the connections associated with any of our packages. All bookings are made on your behalf subject to the terms of conditions, including conditions of carriage and limitations of liability, imposed by these service providers. We can provide you with copies of the relevant service provider terms and conditions on request. Your legal rights in connection with the provision of travel services are against the specific provider and, except to the extent a problem is caused by fault on our part, are not against us. Specifically, if for any reason (excluding fault on our part) any travel service provider is unable to provide the services for which you have contracted, your rights are against that provider and not against us.

21. Minimum group numbers

Our escorted tours are subject to a minimum number of participants as determined by us in order to be financially viable and to have a pleasant group atmosphere. If the minimum number of participants is not reached, we reserve the right to withdraw the tour escort and re-price the tour.

22. Special needs

Should you have any special needs, you are required to inform us at the time of your booking. Special needs include (without limitation) if you have any disability, illness, disease or other condition, you have limited mobility, you have a service animal, you are pregnant, you need special help or any other circumstances exist which may make it difficult for you to use travel services. If you fail to advise us of your special needs, we may not be able to book suitable travel services for you. To the extent permitted by law, you are responsible for ensuring that the travel services are suitable for your special needs.

23. Jurisdiction

These general booking conditions are governed by the laws in force in South Australia. You agree that, in the event of a dispute between you and us, any action you bring against us will be brought in South Australia, Australia.

24. Liability

To the extent permitted by law, neither Holidays of Australia Pty Ltd nor any of its related bodies corporate, directors, employees or agents accept any liability in contract, tort or otherwise for any injury, damage, loss (including consequential loss), delay, additional expense or inconvenience caused directly or indirectly by the acts, omissions or default, whether negligent or otherwise, of third party providers over whom we have no direct control, force majeure or any other event which is beyond our control or which is not preventable by reasonable diligence on our part. Our liability will also be limited to the extent that any relevant international conventions, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, limit the amount of compensation which can be claimed for death, injury, or delay to passengers and loss, damage and delay to luggage. Under circumstances where our liability cannot be excluded and where liability may be lawfully limited, such liability is limited to the remedies required of us under applicable law (including the Australian Consumer Law). This liability clause is subject to your rights under the Australian Consumer Law and nothing in these terms and conditions is intended to limit any rights you may have under the Competition and Consumer Act 2010 (Cth).

Your full itinerary, vouchers and tickets will be sent to you approximately 2-3 weeks prior to your departure on the condition that all required documentation has been received.
